FUN AND EASY TO READ, this didactic workbook in easy Spanish is based on the celebrated pirate novel "The Light at the Edge of the World" by the French author Jules Verne (1828-1905), published posthumously the year he died.

Especially translated, edited and simplified to ease reading practice and comprehension, our text includes simple wording, brief sentences and moderate vocabulary. Also, for your convenience, each chapter is followed by a glossary of Spanish common words and popular expressions and their respective English translations, as well as by fun and simple sets of exercises designed to boost your reading skills and comprehension.

In short words, this workbook series published by the Easy Spanish Language Center provides the reading practice and drills you need based on the understanding that reading is “a complex, active process of constructing meaning” instead of “mere skill application.”

Read it now! And don't forget to check out the rest of the ESLC READING WORKBOOK SERIES!
