The BHS Training Manual for Progressive Riding: Tests 1-6 Islay Auty

Each Progressive Riding test is divided into riding (equitation) and stable management, so that the subjects can be studied separately. For example, a non-rider may be interested solely in the care of the horse; alternatively, a competent rider may not yet possess the practical skills required for the same level of stable management. This manual describes The level of practical and theoretical knowledge required for each test How candidates should train to ensure competence in the stable management and ridden sections of each test. What the examiners are looking for In short, how to PASS the tests - first time!
