We smile about Rizzi's ease of portraying happiness and it is easy to forget that, in fact, he has chosen the most precious object of all, the very aim we are striving for during all our life. This grid calendar represents happiness in a way only Rizzi can create. The eye-catching calendar hangs to a length of 30 x 60 cm when opened, which makes it even more striking. The upper half displays the monthly image and in the lower half there is a 6-lingual calendar grid displaying public holidays etc., with plenty of room for important dates and events. In the lower right hand corner there are free lines for notes, so not only will you see a beautiful image each month but also you will be organized! Perfect for fans of Rothko and also ideal as a gift! **The team of teNeues wishes you much pleasure with this grid calendar 2017!**
