Whoever claims winning isn't everything obviously has not spoken with an athletic coach. Coaching the Mental Game offers coaches of all sports a definitive volume for effectively understanding an athlete's mental awareness, which in turn will help drive success. Author H.A. Dorfman details appropriate coaching strategies aimed at perfecting the player's mental approach to performance. Coaching the Mental Game will become the Bible for coaches who strive to make their athletes the most complete performers possible. Not only a wonderful asset to athletic coaches, this book will also prove to be a motivational resource for workers in all industries as well as in the game of life.

He's truly amazing. It's true that most people don't want to hear the truth about themselves, but Harv gets in your face, uses a few choice words to get your attention, and he's got you.--Al Leiter, former all-star pitcher"

Harv is absolutely unique. He's for real a straight shooter. He gives it to you right on the line, whether you like it or not. Not many people can or will do that.--Walt Weiss, former all-star shortstop and current manager of the Colorado Rockies"
